

numpy.linalg.tests.test
_linalg.LinalgTestCase

```
graph BT; A[numpy.linalg.tests.test_linalg.LinalgTestCase] --> B[numpy.linalg.tests.test_linalg.HermitianTestCase];
```

A diagram illustrating inheritance. A white box at the top contains the text 'numpy.linalg.tests.test_linalg.LinalgTestCase'. A blue arrow points upwards from a grey box below to the bottom center of the white box. The grey box contains the text 'numpy.linalg.tests.test_linalg.HermitianTestCase'.
