

pip.\_internal.metadata.base.  
BaseEnvironment

```
graph BT; A["pip._internal.metadata.pkg_resources.Environment"] --> B["pip._internal.metadata.base.BaseEnvironment"]
```

The diagram illustrates a class inheritance relationship. A box at the bottom contains the text 'pip.\_internal.metadata.pkg\_resources.Environment'. A blue arrow points vertically upwards from this box to a second box above it. The second box contains the text 'pip.\_internal.metadata.base.BaseEnvironment'. The top box has a light gray background, while the bottom box has a white background. Both boxes have a black border.
