

object

pip._vendor.webencodings.
IncrementalDecoder

```
graph BT; A["pip._vendor.webencodings.  
IncrementalDecoder"] --> B["object"]
```

The diagram illustrates a class hierarchy. At the bottom is a gray rectangular box containing the text "pip._vendor.webencodings.IncrementalDecoder". A vertical blue line with an arrowhead at the top connects this box to a white rectangular box at the top containing the text "object". This indicates that the IncrementalDecoder class inherits from the object class.
