

Command

```
graph BT; A["setuptools._distutils.command.build_scripts.build_scripts"] --> B["Command"]
```

The diagram illustrates a class inheritance relationship. A light gray box at the top is labeled "Command". A dark gray box at the bottom contains the text "setuptools._distutils.command.build_scripts.build_scripts". A blue arrow points from the top of the bottom box to the bottom of the top box, indicating that the bottom class inherits from the top class.

setuptools._distutils.command.build_scripts.build_scripts
